

Dear Springer Parents,

Lice checks are done periodically throughout the year in classes, grades, or school-wide when cases of head lice are identified in our school community. This practice has greatly reduced the outbreaks in the past few years, and helped to keep occurrences at a minimum. We would like to continue these periodic checks this year in an effort to keep Springer as lice-free as possible.

School-wide lice checks are not possible without the help of volunteer parents. Please complete and return this form to your child's teacher, so we may check your child. Every volunteer will ensure information privacy for all children and their families.

If a child is found to have lice or nits, he or she will be double-checked by a district employee. If you are called to take your child home, you will be given an appointment to be re-checked the following day.

For your information, the Los Altos School District lice policy is included on the district website: <http://www.losaltos.k12.ca.us/District/5342-Lice.html>

Please print and sign a copy of this form for each child, and return the bottom portion to your child's teacher by Friday, September 26, 2014.

SPRINGER SCHOOL STUDENT LICE CHECK PERMISSION FOR PARENT VOLUNTEER TO CHECK

I give permission for my child _____ to be checked for lice by a parent volunteer in the 2014/2015 school year.

I do not give permission for my child _____ to be checked for lice by a parent volunteer in the 2014/2015 school year.
